IAU WORLD CROSSBOW CHAMPIONSHIP - AVON 2010 REVIEW

The 15th IAU World Crossbow Championship took place in Avon, France on August 31 to September 4. All three international crossbow archery disciplines were staged on a single site at the Vulaines-sur-Seine sports complex in superb late summer sunshine. Crossbow archers from 15 countries contested the team and individual championship events which were scheduled over five days of shooting ; 11 out of the 15 participating countries won medals during the World Championship in Avon.

*IAU President **Gérard Bouteville** hands-over the IAU flag to **Denis Daune**, Chairman of the local Organizing Committee and President of the Seine & Marne Departmental Olympic and Sport Committee, during the Opening Ceremony on August 31*

THE NKB'S MOBILE TARGETS ARRIVE IN AVON

By truck from the Netherlands; that's how 30 sets of the NKB's automated 30m Match-crossbow targets arrived in Avon. The range equipment is broken-down into a kit of parts which are loaded in sequence into a specially fitted-out 40 foot shipping container.

Photo: C.Aston/IAU

RANGE INSTALLATION

With the exception of the tent covering the shooting stands and the electrical supply, the entire shooting range was unloaded, assembled and ready to run in a few hours. No special foundations were needed; the range was simply erected on a flat green-field site.

BRONZE MEDAL FOR CHINESE TAIPEI

2006 IAU Men's Field-crossbow World Champion **Tseng Chin Feng**, (Chinese Taipei) started the Final in the Silver-medal position. But miss-fire with his 10th and final shot meant that Tseng had to be content with the Bronze medal. He is pictured here being consoled by his team leader and IAU Vice-President for Asia **Mrs. Pearl Ho Bin**.
